Top honours

After many applications and months of deliberation, the winners of the **2016 European Hospitality Awards** were announced at a gala evening in London. *Hotel Management International* takes a look at this year's victors.

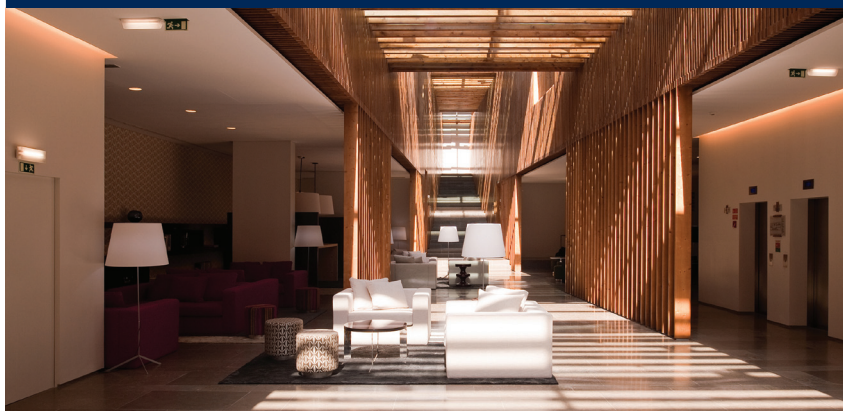

Leaders and dignitaries from across the international hotel industry celebrated success at the European Hospitality Awards, which was hosted on 3 November 2016 at the Royal Garden Hotel in London.

Recognition was given across 12 categories to hotels and hoteliers that are setting new standards. The judging panel included Ted Teng, CEO of Leading Hotels of the World; Jane Sunley, founder of Purple Cubed; DWA managing director Derek Wood; and Mark Bruce, senior director at EPR architects.

We congratulate all of this year's winners and wish applicants good luck for 2017.
